Coordinated Depo
Calendar 7140...

Rick and David,

On the 23rd, we have 3 depositions going on simultaneously - Berger, Caneday and Lawrence and all are set at Riggs Abney in Tulsa. Can your building accommodate three depositions occurring at one time? Do we need an additional location?

I have not heard back from you on your ability to help us secure depositions of the PWAs. We simply cannot wait any longer, therefore, we intend to issue subpoenas for the PWAs on the following dates:

Thursday, July 24 - Tahlequah Public Water Association & Tenkiller Utility Company
Monday, July 28 - Sequoyah County Water Association & Cherokee County Rural Water District #13
Monday, August 4 - Gore Public Water Association & East Central Oklahoma Water Authority
Tuesday, August 5 - Lake Regina Electric Cooperative & Cherokee County Rural Water District #2

As you can see we intend to do two a day, with one depo in the morning and the second to occur in the afternoon.

I have not heard back from you with regarding Dan Storm. We simply cannot wait any longer, therefore, we intend to issue a subpoena for Dan Storm for 9/15/2008.

I still have not heard back from you with regard to any of our 30(b)(6) topics. These need to be scheduled immediately.

I have attached the current version of the calendar as of today.
